

 **Integrated Business Systems, Inc.****Integrated Business Systems Partners with Flexscape**

RICHMOND, VA (February 9, 2010) - Integrated Business Systems (IBS), a software and services company serving the technology needs of the club industry, announced their agreement with Flexscape, L.L.C. which is located in Sarasota, FL. This agreement is forming a multi-year partnership designed to offer IBS clients with a web presence at their fingertips, building a powerful avenue to building a community within their membership and to assist with their goals to ultimate member satisfaction.

Integrated Business Systems, Inc (IBS) is a software and services company that has been serving the technology needs of the club industry with integrity and pride for over 19 years. Based in Richmond, Virginia, IBS has its software installed at over 1,200 clubs throughout the United States, Canada, Mexico and the United Kingdom. IBS provides complete turnkey systems for busy club administrators, including all PCs, file servers, network configuration and POS equipment. The Company is committed to providing its clients with the highest quality products and services available today. For more information, please visit www.goibs.com.

Flexscape is a product which was developed to help companies and organizations more effectively utilize the internet. The product allows for full control over the website, but also presents a turnkey solution. Flexscape designs the site, registers the domain name, and takes care of set-up and everything needed, including email accounts. In addition, Flexscape will assist with a company database, which allows for a truly dynamic web site.
